

# Life Abundant

Capital Campaign

**Reformation Lutheran Church**  
102 West Rose Tree Road, Media, PA 19063

## ROOF

As with all parts of our physical plant over time, the roof is in need of replacement. This will be an investment in the future of our property and the ability to grow and expand our ministry that happens in this place. Our building is full of worship, fellowship, and learning as well as a host location for many community groups and home to our schools.

## PAVILION

The pavilion will offer additional space for fellowship and worship. This will make for an ideal location for special services and church events as well as a space for community gatherings. The Reformation school programs will also be able to expand their work with children in this outdoor space. The pavilion will be located in the east yard, just past the gazebo and labyrinth.

## REFLECTION GARDEN

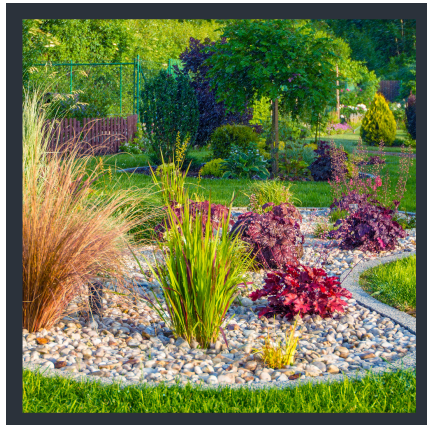

A reflection garden will give a place on our property for special gatherings, worship, conversation, prayer and meditation. The garden will also include space for the spreading of ashes or burial of cremains in biodegradable urns. The reflection garden will be located along the outside of the east wall of the sanctuary.

# Campaign Goals
