Life Abundant

Pledge and Gift Update

As of April 17, 2024, we have received 68 pledges to the *Life Abundant* campaign. Pledges and gifts now total \$445,917 — over 89% of our total goal! Over \$200,000 of gifts have already been received. These figures include an estate gift received prior to the campaign that is directed to the Reflection Garden by prior Council action. Thank you to all who have generously contributed and committed to the *Life Abundant* campaign. This is a great start to our three-year vision!

Gratitude for our Leadership

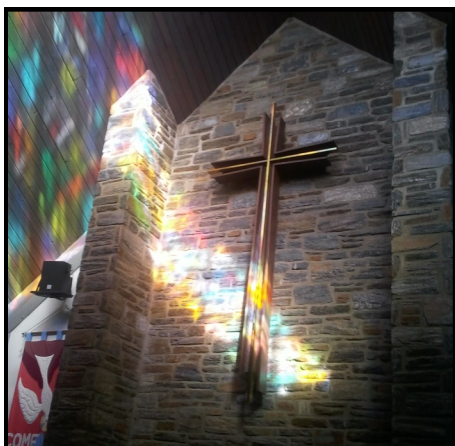

Reformation's Council, and particularly our Executive Committee, has been a significant part of providing leadership for our campaign goals.

Additionally, Dick Hughey and Dave Chorney have given valuable time and expertise in helping to meet with contractors and evaluate the scope of the projects as we collect bids and plans. Please help us thank these leaders for sharing their time and vision when you see them!

Debbie and Rodger Conley at our Campaign preview event in September 2023.

Legacy gifts show Reformation's generosity

One of the many ways in which the generosity of Reformation members is shown is giving through estate planning, including our **1517 Society**.

The estate gifts of several members have been designated to the current campaign projects. We are grateful for the generosity and witness of all who continue to provide for the mission of Reformation into the future including Mary Smith, Warren Given, and Karin Kress.

Contact the church office for more information about the 1517 Society.

Thanks be to God for the powerful faith witness of those who remember the church in their estate planning!

Moving toward our goals; moving into the future

The generous response to this campaign has enabled us to begin on many of the projects. A deposit has already been placed with our pavilion company and estimates for the roof are being secured.

This campaign will move Reformation confidently into the future as we respond to God's call to invite all people, serve our neighbors, and build a living faith together!

The most recent renovation to our building, in 2006, included adding handicap accessibility and made us an Energy Star certified building.
