

Reformation Confirmation Expectations

1. **Class Attendance** – Confirmation class will be held every week at 9:45 am on Sundays unless otherwise noted. Classes will be taught by Pastor Eileen or Pat Polilli.

Mentor Classes – Each student is paired with an adult member of the congregation. These mentors commit to attending class with us several times throughout the year. Student attendance on these weeks is especially important.

Parent Classes – We have parent classes several times during the year. Attendance by students and at least one parent or guardian is important for these classes

2. **Worship Attendance** – Each student and their family are expected to attend worship regularly, whether online or in person.

3. **Worship Reflection Forms** – Students are expected to complete 6 worship reflection forms per year – at least 3 must be completed as a family. Completed forms may be submitted through Google Forms OR by using the paper sheets found on the counter in the church lobby, which can be returned to Pastor Eileen’s mailbox in the church office. Online forms can be found at relcmedia.org/confirmation or by scanning this code:

4. **Service Projects** – Throughout the year, students are expected to participate in four service projects – one of each in these categories 1. Church; 2. Community; 3. Family; 4. Faith. Service opportunities are sent out to the congregation periodically. If you have a question about a specific event counting as a service project, please ask Pastor Eileen! Completed service projects will be submitted through Google Forms. Links can be found at relcmedia.org/confirmation or by scanning the code above.

5. **Fellowship Events** – Students are highly encouraged to attend Youth Group activities throughout the year and the Tuscarora Lutheran Youth Retreat in the spring.

Please contact Pastor Eileen with any questions or concerns:
