Roof work underway in June 2024.

Roof and Pavilion Updates

We have had a busy summer at Reformation! Our entire roof has been replaced, along with some gutter, chimney, and mason work on the exterior of the building. Thank you to Dave Chorney and Dick Hughey for lending their time and guidance throughout this process!

We are now looking ahead to the installation of the pavilion. We anticipate the pouring of the concrete pad and the construction of the pavilion to be completed by the end of October. See the reverse side of this newsletter for information to sponsor a brick on the pavilion walkway!

Annual Stewardship: Beloved Community

Beloved, let us love one another, because love is from God. - 1 John 4:7

Scripture continuously reminds us that God is love and that our call as disciples is to share that love with the world. This year's theme, Beloved Community, is a daily reminder of what it means to build a community that is deeply rooted in the love that God has for us. Throughout this fall stewardship season, you'll see and hear generosity highlights from our past year together that have grown the Beloved Community here at Reformation and beyond. Thank you for the enthusiastic ways you continue in generous support of our mission!

Sponsor a Brick!

As we gear up for the pavilion installation, we are offering the opportunity to sponsor the brick pavers that will be part of the pathway that will extend from its current location to the pavilion.

Pavers can be engraved in celebration of life milestones, in honor of someone, or in memory of a loved one. Check out the current walkway by the labyrinth for inspiration!

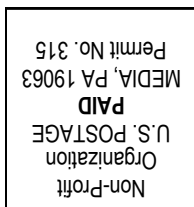

Orders are open for a limited time through **September 30!**
Order online at relcmedia.org/bricks or pick up an order form at church.

Please note: Mini Replica bricks will only be available for pick up at Reformation. You will be contacted once they are delivered.
