Reflection Garden Update

The Reflection Garden along the outer wall of the Sanctuary is nearing completion! This space includes an upper patio as well as a lower garden where ashes may be interred. The project has also involved pouring new steps and sidewalk from the parking lot to the Sanctuary, and extending the ramp to incorporate handicap access to the new Reflection Garden. Decorative accents, furniture, and landscaping will be added to make this a beautiful space for years to come.

Looking Back and Giving Thanks

Over the course of our Capital Campaign, we have replaced our roof, built our pavilion, and are nearing the completion of the Reflection Garden. When we set out on this campaign three years ago, we had a vision for the future of “life abundant” at Reformation—one that includes intentional space for our congregation, community groups, and school programs. From worship and fellowship to education and community use, this property continues to be alive with activity and purpose. Now we are equipped with new and improved spaces to better welcome and serve all who cross our threshold!

A special thanks to three individuals in particular who championed this Campaign and helped make these projects happen: Reformation members Dick Hughey, Dave Chorney, and Rodger Conley; and landscaper Vince Walsh, who has been dreaming of and envisioning these spaces with us for years.

We are grateful for the partnership of the entire congregation and your commitment to building an abundant life and a living faith now and into the future. Thank you!

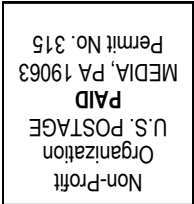

Help Us Finish Strong!

As our Capital Campaign comes to a close, we give thanks for your generosity! Without YOU, the projects of our Campaign would not be a reality.

You rose to the occasion of our \$500,000 goal in the last three years. But since 2023, when we launched this endeavor, the cost of materials and labor have increased significantly.

We invite you to help us finish strong by fulfilling your initial *Life Abundant* pledge, if you have not yet, or by making an additional gift toward Campaign expenses before the end of 2026. Thank you for helping us build an abundant life for the future ministry of Reformation.

Yours in Christ, Pastor Alina and Pastor Eileen
