

REFORMATION LUTHERAN CHURCH, MEDIA, PA
LIVE STREAM INTERN
POSITION DESCRIPTION

Position: Live Stream Intern

Supervision: Michael Sottile, Live Stream Director and called staff

Qualifications:

- Be a current college student enrolled in a college or university
- Complete all required criminal background checks and clearances as per Pennsylvania state law
- Follow all COVID-19 protocols at Reformation
- Have access to transportation
- Have the ability to work on some projects remotely
- Have an interest in working in this congregation and a willingness to support its mission
- Have strong interpersonal skills and the ability to work in a team setting
- Have some familiarity with online video, Excel and general video/TV hardware knowledge (and/or live-streaming with OBS/Twitch)

Opportunities:

- Gain an understanding of how live-streaming works on a larger scale, using equipment from Blackmagicdesign, ElGato, and Kramer.
- Learn fundamentals of video switching and cueing, remote camera control, overlaying graphics and HDMI matrix devices.
- Create graphics content using ProPresenter
- Develop skills in managing/directing multiple factors of the livestream

Responsibilities:

- Provide support for the congregation through technology
- Complete responsibilities scheduled weekly
- Has punctual timing to arrive
- Maintain the integrity of the Live stream both in production quality and content quality.

Length of Internship and Hours:

- 12 weeks of a semester (including 12 Sundays - 8:00 am - 12:30 pm)
- About 1 - 2 hour of remote work (ProPresenter, analytics, etc)

Compensation:

- \$1250 per semester (no additional reimbursement for travel)

To apply:

- Send cover letter and resume to HR@relcmedia.org
